

Romsey RUFC International Ticket Ballot Guidelines

International tickets for the Autumn Internationals and 6 Nations Championship (home and away) are available for club members to purchase. The Club receives an allocation from the RFU, and this varies in size from match to match and season to season.

When the allocation is oversubscribed, a ballot will take place. This will be held at a committee meeting.

To purchase a pair of tickets and enter the ballot, you must be a member of Romsey RUFC (for at least the six months prior the ballot or at the ticket co-ordinators discretion if we have more tickets than people.)

If the RFU allocate an odd number, then there will be a single ticket allocated to the last out of the hat in the ballot for that match.

You may enter as many ballots as are available. You are only able to go to one game so if you are lucky and are drawn out of both then you will need to choose which match you wish to go to and the tickets for the other game are offered to the next person drawn. It is hoped that this system will allow more members to receive tickets to England home rugby matches.

All participants in the ballot will be drawn in case of people not wanting tickets they will be offered to the next person drawn.

The ballot system will be used for matches where a limited number of tickets are available for the game. Some matches we can apply for unlimited tickets, but these are on a NON sale or return policy. Applications for these games will NOT affect your eligibility for the ballots.

If entered into more than one ballot the order of ballot will be decided by the date of the match i.e. a match on 11th November will be drawn before a match on 18th November.

When the ticket exchange opens the ticket co-ordinator will ask those who were unsuccessful if they would like tickets and attempt to get them through the RFU website.

For matches where the participants are not known and you opt for tickets for one day you are committed to those tickets regardless of if the side you support are in that match and will need to pay for them.

You can attempt to purchase tickets directly from Twickenham if you wish.
